Projects

Sep 2018 -

WeatherFM

present

- Created an app that generates music to match the user's weather.
- Users can discover music for their current weather, fine-tune their discover settings, add songs to weather playlists, listen to playlists, and export those playlists to Spotify.
 - Stack: React/Redux, Node.js, Express, MongoDB, JWT, Mocha/Chai, Enzyme, Jest

Sep 2018 -

present

- Constructed a spaced-repetition, learning application for Spanish.
- Built around a spaced-repetition algorithm, Hablamos ensures that users spend more time practicing the words they answer incorrectly rather than ones they already know.
 - Stack: React/Redux, Semantic UI, Node.js, Express, MongoDB, JWT, Mocha/Chai

Aug 2018 - present

Cocktail Buddy

¡Hablamos!

- Built a cocktail recipe app that lets users search and filter a database of classic recipes as well as add and remove their own drinks.
- As an avid cocktail enthusiast, I wanted a way to easily search through and filter my
 favorite drink recipes while also having a place to store ones I have created or found
 elsewhere.
 - Stack: React/Redux, Node.js, Express, MongoDB, JWT, Mocha/Chai

Education

Aug 2011 -

Bachelor of Arts in History, Colgate University

May 2015

• Active member of Theta Chi Fraternity and Recruitment Chair in 2012.

Employment History

Jun 2018 -

Full Stack Developer Apprenticeship

Oct 2018

Thinkful, Brooklyn, NY

- Learned industry best practices and standards with an emphasis on JavaScript, HTML5, Node.js, React, Redux, algorithms and data structures.
- Built mobile-first, responsive web applications while also meeting regularly with a senior web developer multiple times a week.

Sep 2018 -

Web Developer (Freelance)

present

Drane & Freyer Limited, Chicago, IL

- Working closely with the head of marketing to design a straightforward, easy to use website for a boutique, commercial real estate firm.
- Orchestrating everything from the initial design, content editing, overall design, testing and deployment, while working within a short timeline.

Sep 2017 - Front of House Staff

May 2018

Spork, Bend, OR

• Crafted well-balanced, delicious cocktails quickly and efficiently for the bar and entire restaurant while greeting and communicating with customers effectively.

Aug 2015 - Bartender

May 2017

The Rose and Pink Garter, Jackson, WY

• Created and added original craft cocktails to the menu, helping The Rose get the title of "Best Apres Ski Bar" from the cocktail review site, liquor.com.
