React/Redux

HTML5/CSS3

Node.js

Bootstrap

MongoDB

AJAX

Mocha/Chai

Passport

Git/GitHub

**Chrome Dev Tools** 

Heroku

Travis CI

# **Projects**

#### Sep 2018 -

#### WeatherFM

#### present

- Created an app that generates music to match the user's weather.
- Users can discover music for their current weather, fine-tune their discover settings, add songs to weather playlists, listen to playlists, and export those playlists to Spotify.
  - Stack: React/Redux, Node.js, Express, MongoDB, JWT, Mocha/Chai, Enzyme, Jest

#### ¡Hablamos! Sep 2018 -

## present

- Constructed a spaced-repetition, learning application for Spanish.
- Built around a spaced-repetition algorithm, Hablamos ensures that users spend more time practicing the words they answer incorrectly rather than ones they already know.
  - Stack: React/Redux, Semantic UI, Node.js, Express, MongoDB, JWT, Mocha/Chai

#### **Cocktail Buddy** Aug 2018 -

#### present

- Built a cocktail recipe app that lets users search and filter a database of classic recipes as well as add and remove their own drinks.
- As an avid cocktail enthusiast, I wanted a way to easily search through and filter my favorite drink recipes while also having a place to store ones I have created or found elsewhere.
  - Stack: React/Redux, Node.js, Express, MongoDB, JWT, Mocha/Chai

# **Education**

### Aug 2011 -

## **Bachelor of Arts in History, Colgate University**

#### May 2015

Active member of Theta Chi Fraternity and Recruitment Chair in 2012.

# **Employment History**

# **Full Stack Developer Apprenticeship**

## Oct 2018

Jun 2018 -

Thinkful, Brooklyn, NY

- Learned industry best practices and standards with an emphasis on JavaScript, HTML5, Node.js, React, Redux, algorithms and data structures.
- Built mobile-first, responsive web applications while also meeting regularly with a senior web developer multiple times a week.

#### Web Developer (Freelance) Sep 2018 -

#### present

Drane & Freyer Limited, Chicago, IL

- Working closely with the head of marketing to design a straightforward, easy to use website for a boutique, commercial real estate firm.
- Orchestrating everything from the initial design, content editing, overall design, testing and deployment, while working within a short timeline.

#### Front of House Staff Sep 2017 -

## **May 2018**

Spork, Bend, OR

 Crafted well-balanced, delicious cocktails quickly and efficiently for the bar and entire restaurant while greeting and communicating with customers effectively.

#### Bartender Aug 2015 -

### **May 2017**

The Rose and Pink Garter, Jackson, WY

 Created and added original craft cocktails to the menu, helping The Rose get the title of "Best Apres Ski Bar" from the cocktail review site, liquor.com.
