Relevant Experience

Sep 2018 - present

Web Developer (Freelance)
Drane & Freyer Limited, Chicago, IL
- Working closely with the head of marketing to design a straightforward, easy to use website for a boutique, commercial real estate firm.
- Orchestrating everything from the initial design, content editing, overall design, testing and deployment, while working within a short timeline.

Jun 2018 - Oct 2018

Full Stack Developer Apprenticeship
Thinkful, Brooklyn, NY
- Learned industry best practices and standards with an emphasis on JavaScript, HTML5, Node.js, React, Redux, algorithms and data structures.
- Built mobile-first, responsive web applications while also meeting regularly with a senior web developer multiple times a week.

Projects

WeatherFM
- Created an app that generates music to match the user's weather.
- Users can discover music for their current weather, fine-tune their discover settings, add songs to weather playlists, listen to playlists, and export those playlists to Spotify.
  - **Stack:** React/Redux, Node.js, Express, MongoDB, JWT, Mocha/Chai, Enzyme, Jest
  - **Deployed Version:** https://weatherfm-client.herokuapp.com
  - **GitHub Repo:** https://github.com/thinkful-ei22/WeatherFM-Client-PurpleCobras

¡Hablamos!
- Constructed a spaced-repetition, learning application for Spanish.
- Built around a spaced-repetition algorithm, Hablamos ensures that users spend more time practicing the words they answer incorrectly rather than ones they already know.
  - **Stack:** React/Redux, Semantic UI, Node.js, Express, MongoDB, JWT, Mocha/Chai
  - **Deployed Version:** https://hablamos-ji.herokuapp.com/
  - **GitHub Repo:** https://github.com/thinkful-ei22/Jenn-Ian-SpacedRep-Client

Cocktail Buddy
- Built a cocktail recipe app that lets users search and filter a database of classic recipes as well as add and remove their own drinks.
- As an avid cocktail enthusiast, I wanted a way to easily search through and filter my favorite drink recipes while also having a place to store ones I have created or found elsewhere.
  - **Stack:** React/Redux, Node.js, Express, MongoDB, JWT, Mocha/Chai
  - **Deployed Version:** https://whispering-scrubland-31994.herokuapp.com/
  - **GitHub Repo:** https://github.com/Ibeihl/cocktail-buddy-client

Education

Aug 2011 - May 2015

Bachelor of Arts in History, Colgate University
- Active member of Theta Chi Fraternity and Recruitment Chair in 2012.

Employment History

Sep 2017 - May 2018

Front of House Staff
Spork, Bend, OR
- Crafted well-balanced, delicious cocktails quickly and efficiently for the bar and entire restaurant while greeting and communicating with customers effectively.

Aug 2015 - May 2017

Bartender
The Rose and Pink Garter, Jackson, WY
- Created and added original craft cocktails to the menu, helping The Rose get the title of "Best Apres Ski Bar" from the cocktail review site, liquor.com.
